**Arrangements for child arrival at After School club:**

At the end of the school day, children attending the club will be escorted to the club and registered on arrival. If your child appears distressed or we have any concerns about their attendance we will contact you. Please ensure that your child's class teacher and your child is aware that they will be attending the club. From 3.30-4pm children will be served a healthy snack such as toast, wraps, fruit, and drinks. This is included in the session fee. Please ensure you let us know if your children have any specific dietary requirements on their registration form.

**Arrangements for child collection from the After School club:**

Children are collected from the club **via the main school entrance**. Please ring the bell and a member of club staff will bring your child to you. Your child will be signed out. Our club mobile number for use during club hours is **07935 755044**

**Illness:**

Please be aware that children will not be accepted at the club if they are ill. If a child arrives at the club and is suffering from sickness, diarrhoea or has an infectious condition, parents will be notified immediately to collect them. In line with the South Gloucestershire Schools' policy we cannot accept children at the club **within 48 hours of sickness or diarrhoea**. We cannot administer any medication unless it has been prescribed by a doctor. If you wish us to administer prescribed medication please ask for an *Administering Medication form* which you will need to complete and return to us at the club with the clearly labelled medication. All medication will be stored out of reach and only administered by a qualified first aider.

**Coronavirus update at July 2020:**

OOSC follow the current [government guidance](#) for out of school clubs. Further details of our revised operational procedures are regularly updated on our website and available to view [here](#). Children regularly wash their hands on arrival, before and after they eat and before leaving the club. Parents and carers must remain off-site as much as possible. If your child experiences any symptoms of Covid-19 please follow the current [public health guidance](#).

There will be lots of games and activities on offer at the club and children will be supported in their play, indoors and outdoors. We look forward to welcoming your child(ren) to the club on their start date. Please let us know if they have any particular interests that we can extend at the club. Please do not hesitate to contact us if you require any further information.

Kind regards,  
Cath, Sam and the OOSC team
