**Coronavirus update at July 2020:**

OOSC follow the current [government guidance](#) for out of school clubs. Further details of our revised operational procedures are regularly updated on our website and available to view [here](#). Children regularly wash their hands on arrival, before and after they eat and before leaving the club. Parents and carers must remain off-site as much as possible. If your child experiences any symptoms of Covid-19 please follow the current [public health guidance](#).

There will be lots of games and activities on offer at the club and children will be supported in their play, indoors and outdoors. We look forward to welcoming your child(ren) to the club on their start date. Please let us know if they have any particular interests that we can extend at the club. Please do not hesitate to contact us if you require any further information.

Kind regards

Cath and the OOSC team
